

Summer 2025

EHS CONFERENCE

CREEDS, COUNCILS AND CANONS

**Call for papers: 2025-6 EHS Summer Conference
Edinburgh, 15-17 July 2025**

2025 is the 1700th anniversary of the Council of Nicaea, widely recognised as the Church's first Ecumenical Council. This drew on and popularised a tradition which has been widely adopted by churches throughout the world, of church leaders and/or representatives meeting to deal with matters doctrinal, ethical, disciplinary, missionary and liturgical, and documenting them in creeds and canons. The recognition or not of councils and their documents has also become a way in which churches tell their own institutional history, and situate themselves with regard to one another.

Proposals for twenty-minute papers on 'Creeds, Councils and Canons' are welcomed. Please send completed proposal forms to ehseditorial@gmail.com.

Proposal Deadlines:

15 January 2025 (early deadline, particularly for those who need visas)
